MOTION

In this Court's July 24, 2018 order setting dates for pre-trial motions, the deadline for the government's response motions was September 17. ECF 689. The government requested an additional ten days to file its response motions. Mr. Lopez did not object. The government's unopposed motion was granted and the deadline for replies was reset to October 11.

Mr. Lopez respectfully requests an additional four days to file his replies. Undersigned counsel is diligently working on the replies, but is in need of several

1 more days to finish due to the number and complexity of the pending motions. The  
2 government stipulates to this request. The additional time will not affect the  
3 scheduled trial date of January 28, 2019.
